

Job Offer: Graphic and Web Designer

Organization: Sustainable Communication (S-Com)

Position: Graphic and Web Designer

Location: Brussels, Belgium

Contract Duration: February to December 2025

About Sustainable Communication (S-Com):

Sustainable Communication is an international non-profit association based in Brussels, dedicated to sustainable, inclusive, and intercultural communication. We are currently undertaking the European project S-Info, funded by the European Commission under the Creative Europe programme. S-Info aims to support investigative and independent journalism in Belgium, Italy, Malta, and Romania.

For more information about our organization and the project, visit [S-Com](#) and [S-Info](#).

Job Description: Graphic and Web Designer

- Design a distinctive logo and visual identity for the S-Info project
- Develop color and black-and-white web logos with social adaptability
- Create a comprehensive visual identity, including color palette, modular graphic elements, and fonts
- Design web layout and modular color and black-and-white web banners
- Develop document templates (document cover, PowerPoint slides, posters, etc.)
- Potentially create brochures, flyers, posters, rollups, etc.
- Develop a project web site to support editorial activities, both internally and for content publication
- Target a minimum of 30,000 accesses to the multi-platform app
- Structure the app into the following sections:
 1. **Information Section:** Articles, multimedia content, searchable by topic and format
 2. **Third-Party Section:** Community-proposed content and insights, searchable by topic and format and creation of a database to search for registered organisations and journalists according to different competences.
 3. **Social Section:** Integration with social media channels and subscription options
 4. **Partner and Project Info Section:** Descriptions, contact information, and project-related details

Qualifications:

- Proficiency in graphic design tools and software
- Experience in logo and visual identity design
- Strong understanding of web design principles and UI/UX
- Ability to work in English
- Excellent communication and digital skills
- Previous experience in similar projects or with non-profit organizations is a plus

How to Apply:

Please submit your CV, portfolio, and a cover letter detailing your relevant experience and interest in the position to info@scom.eu by 29 January 2024

Sustainable Communication is an equal opportunity employer and encourages applications from candidates of all backgrounds.

Note: Only shortlisted candidates will be contacted for an interview.
